

Emmaus Course

Emmaus is a course with space to explore your personal journey through life AND take stock of the Christian way.

Emmaus was a small town near Jerusalem, a place along a road where two people had an encounter with Jesus of Nazareth over 2,000 years ago which changed their lives and the course of human history in a most dramatic way!

Faith is something we all live by, day to day, whether faith in ourselves, our family, our work, our possessions and faith is at the heart of this course as well.

Journey is the life we all live from birth to death through good days and bad, forever moving along a path, our own path through this life.

Pilgrimage is the linking together of my personal journey with that of a faith to obtain that way – the most popular path today in the world is the Christian faith and Emmaus is the name for this course which will help us along life's path.

Emmaus is a 6 week series of meetings
Beginning on 8 January 2009
From 7.45 – 9.30pm

Read what Linda from Frindsbury has to say about the course:

“Having now completed parts 1 and 2 of the Emmaus Course I have found these to be both challenging and rewarding in equal measure. I had many unanswered questions which I have been able to explore in a friendly non-judgemental environment. The course has taught me a great deal and has been a journey of discovery. If you have unanswered questions, no matter how big or small, the Emmaus Course would be a great place to start.”
